

Poor Little Allison-crd

(D) (Dmaj7) (D) (Dmaj7)

(D) Poor little Allison, (Dmaj7) standing in the (D7) night wind
(G) Wishing out loud, (Gm) turning her face to the (D) summer rain
Poor little Allison, (Dmaj7) never had much (D7) going
(G) Hard to forget, (Gm) always in step with the (D) world she's in

(A) Never knowing, never feeling, (G) showing so much (D) pride
(A) Never saying what she's thinking (G) or feeling deep in(Asus)side

Poor little Allison, dreaming of the right one
Laughing out loud, lost in a crowd of fairweather friends

(CHORUS)

Poor little Allison, standing in the night wind,
Wishing out loud, turning her face to the summer rain
Hard to forget, always in step with the world she's in
