

A Better Love Next Time  
(No Capo)

(Rubato)

(G)Got a call to-(F#m)night, (Em)sayin' we could still be (D)friends  
What a (Em)way to say good-(D/F#)bye, (G)what a way (G#) to (A)end  
They (G)say the darkest (F#m)hour is (Em)just before (D)dawn  
So (Bm)I'll just hold my head up and (Em)try to sing my song (A)

(Chorus)

A better love (D)next time, just don't let me (F#)lose my mind  
(Am)All I (D)need's a (G)real friend (Em) to pick me up a-(A)gain (Bm)  
(A/C#)  
I (A)gotta shake these (D)memories, if there's another (F#)chance for me  
I'll be (Am)lookin' (D)for a (G)sign, won't (D/F#)someone help me (Em)find  
A (A)better love (D)next time |(D)(D/E)(D/F#)(A/D)|

(Bm)I could sit around and hurt for-(F#m)ever over you  
But (C)in my heart I know you're really (G)gone (G/F#)(G/E)(G/D)  
(Bm)There must be a reason for the (F#m)pain I'm goin' through  
(C)Telling me I'm not where I be-(G)long (G/F#)(G/E)(G/D)|(A) ---

(Chorus)

A better love (D)next time, just don't let me (F#)lose my mind  
(Am)All I (D)need's a (G)real friend (Em) to pick me up a-(A)gain (Bm)  
(A/C#)  
I (A)gotta shake these (D)memories, if there's another (F#)chance for me  
I'll be (Am)lookin' (D)for a (G)sign, won't (D/F#)someone help me (Em)find
