

## A Cabin In The Hills

Written and recorded by Merle Haggard

1st verse spoken:

F  
 I dreamed I saw Jesus last night  
 C  
 Seated on a mountain in the moonlight  
 F C  
 His hands held a key to a cabin  
 G7 C  
 That cabin I'd dreamed of all my life  
  
 G7 C  
 Money makes the rules we have to live by  
 F C  
 A home is just a place they send the bills  
 F C  
 God knows why we work and what we pray for  
 G7 C  
 So He's building me a cabin in the hills  
  
 G7 C  
 Who knows He might be finished in the morning  
 F C  
 So I lie awake and take no sleeping pills  
 F C  
 God knows I'm not happy in a mansion  
 G7 C  
 So He's building me a cabin in the hills  
  
 F C  
 I live my lonesome life down in a valley  
 G7 C  
 With the factories the rivers and the mills  
 F C  
 Sometimes I can almost hear His hammer  
 G7 C  
 Cause He's building me a cabin in the hills  
  
 G7 C  
 Someone has to keep the home fire burning  
 F C  
 So I sweat and get the harvest in the field  
 F C  
 Life on earth won't be the same hereafter  
 G7 C  
 So He's building me a cabin in the hills  
  
 Repeat #4  
  
 G7 C  
 He's building me a cabin in the hills
