

A King Without A Queen

written by Bob Wills, John Wills, Martha Dean Moore

C F
 Riches do not come in silver and in gold
 G7 C
 It comes in the happiness you find
 F
 I place my gold and silver before my precious queen
 G7 C C7
 But now there's only memories left behind

F C
 If you never lost a loved one
 F G7
 Then you'll know just what I mean
 F C
 For what good are treasures and a kingdom
 G7 C
 If you're a king without a queen

F
 Now that she has gone and found another love
 G7 C
 My castle is empty and so cold
 F
 For her leaving brought me heartaches that I have never known
 G7 C C7
 And there's sadness in the treasures I now hold
