

## Always Wanting You

The song goes Chorus, Verse, Chorus, Interlude, Verse, finish with Chorus.

### CHORUS:

(G) Always (C) wanting you, but never (G) having you,  
makes it (Am) hard to face (D) tomorrow 'cause I  
(Am) know I'll be (D) wanting you (G) again.  
(G7) Always (C) loving you, but never (D7) touching you,  
some (Am) times hurts (D) me (Am) almost more (D) than  
I can (G) stand.

INTERLUDE: ( G, C, G, AM, D, AM, D, G )

### VERSE:

I'd been (G) better off if I'd turned (D7) away and never  
looked at you the (G) second time. 'Cause I really had  
my life all (D7) together till your eyes meet (G) mine.  
And there I say a (G7) yearning and a (C) felling 'cross  
the room that you (G) felt for me. Wish I'd (Am) had  
away of (D) knowing that the (Am) things we had in  
(D) mind could never (G) be.
