

## Carolyn 2

Album: Someday We'll Look Back / I Love Dixie Blues

Carolyn let me tell you what I've heard about a man today  
He didn't come home from work and he went away  
Till he came to a city bright in the night time like day  
There they say he met up with some women dressed in yellow and scarlet  
Their warm lips like a honeycomb dripped with honey  
Somethin' about the smell of strange perfume made him feel warm and not  
alone  
Yes Carolyn a man will do that sometimes on his own and sometimes when he's  
lonely  
And I believe that man might do that sometimes out of spite  
But Carolyn a man will do that always when he's treated bad at home  
[ guitar ]  
Yes Carolyn a man will do that...
