

Got Lonely Too Early This Morning
Written and recorded by Merle Haggard

C
Got lonely too early this morning
F C
Long about 3:30 am

Woke up in a big empty bed room
D7 G7
The TV had gone off again

C
Got lonely too early this morning
F C
Hey lonely was laying like dirt
F C
Got lonely too early this morning
G7 C
Before I was ready to hurt

I try to stay clear of all our old friends
F C
Start me to thinking of you

I try not to bother you darling
D7 G7
Cause I know that you don't want me too

C
Try to look over me calling this morning
F C
I know it's on wrong time of day
F C
But I just had to talk to somebody
G7 C
You know I can't find nothing to say
