

I'll Always Know

[A]Revenge must be the [F#m]reason,
Why [D]forgiveness was a thing I never [E7]knew.
[A]And someday soon I know you plan to [D]hurt me,
[D]But don't plan on getting by with the things you [E7]do.

[A]Cause I'll always [F#]know when you been [A]cheating.
[A]And I'll always [D]know you've been [E7]untrue.
I'll always [A]know.

[A] [D] [E7] [A]

[A]Your heart is like a [F#m]window,
But when I [D]look inside I see another [E7]man.
[A]But go on and lie and tell him how you [D]fooled me,
[D]But remember I saw through you're evil [E7] plan.

[A]Cause I'll always [F#]know when you been [A]cheating.
[A]And I'll always [D]know you've been [E7]untrue.
I'll always [A]know.
And don't forget it either.
