

I'll Leave The Bottle On The Bar
Recorded by Merle Haggard

G C G
A loser doesn't always know he's losing
Till he's lost the game and it's too late to win D7
G C G
I hope I'll call in time and you'll forgive me
C D7 G
Cause I want so much to come back home again

C G
And I'll leave the bottle on the bar
D7
If you'll take me back to start anew
G C G
I'll leave the bottle on the bar
C D7 G
I'll sober up and come back home to you

C G
I stood by and let the bottle come between us
D7
And I let it through me time and time again
G C G
Before I thought the wine was all I needed
C D7 G
But now I see just what a fool I've been

C G
And I'll leave the bottle on the bar
D7
If you'll take me back to start anew
G C G
I'll leave the bottle on the bar
C D7 G
I'll sober up and come back home to you
