

LOVE DON'T HURT EVERYTIME

Love don't hurt every time
Sometimes love can be kind
So don't turn away from these arms of mine
Love don't hurt every time

Love has a mind of its own
Sometimes it's one way alone
This time could be that once in a lifetime
This feeling we feel comin' on

Love don't hurt every time
Sometimes love can be kind
So don't turn away from these arms of mine
Love don't hurt every time

So don't turn away from these arms of mine
Love don't hurt every time
