

Roses In The Winter  
By Merle Haggard

C F  
Well have roses in the winter  
C G7  
Well have good times with bad  
C F  
Well have roses in the winter  
C G7 C  
Love is all we have to have

F  
There'll be a garden every season  
C G7  
Cause love makes the sun shine every day  
C F  
Well be blessed with spring forever  
C G7 C  
With love and roses all the way

F  
If we keep saying all the right words  
C G7  
And keep our harmony in tune  
C F  
Well find roses in the winter  
C G7 C  
We won't have to wait till June
