

Run 'Em Off
 recorded by Merle Haggard
 written by Oney Wheeler and Tracey Lee

G D7
 Now when the big bad wolf got in grandma's house
 G D7
 Little Red Ridinghood was scared as the mouse
 G C
 And just like her I'm scared through and through
 G D7 G
 Some two legged wolf would run away with you

D7
 So run 'em off no use to talk all day
 G D7
 Just run 'em off they're trying to get you to play
 G C
 Run 'em off and make 'em let us be
 G D7 G
 If you don't run 'em off I swear you're cheating on me

D7
 Now there's an iceman and milkman and folks out of town
 G D7
 They don't come to visit they just hang around
 G C
 They act just as friendly as can be
 G D7 G
 But I don't think they care a thing about me

D7
 So run 'em off don't talk too long
 G D7
 Run em off so we can be alone
 G C
 Run 'em off and make 'em let us be
 G D7 G
 If you don't run 'em off I swear you're cheating on me

D7
 No matter where you are or what you do
 G D7
 Folks start to whistle and how is you
 G C
 When they get too close I wanna say shoo
 G D7 G
 Cause it looks like they wanna take a bite of you

D7
 So run 'em off don't talk too long
 G D7
 Run em off theyre trying to get you in Dutch
 G C
 Run 'em off and make 'em let us be
 G D7 G
 If you don't run 'em off I swear you're cheating on me

D7
 Now once I ended this song but I write some more
 G D7
 Cause there's a half-a-dozen wolfs coming up to my door
 G C
 And I can tell by a looking cause it's plain to see
 G D7 G
 That they're not here to make eyes at me

So run 'em off don't talk too long
G D7
Run em off so we can be alone
G C
Run 'em off and make 'em let us be
G D7 G
If you don't run 'em off I swear you're cheating on me
