to the day I ain't touched one yet,

I laid off 90 proof,
Not a drop in years and that's the truth,
G
But tonight, (talk) when I light the first
D
one, I'm going to open up the Jack.

One thing that always hurt her the most,

Is one thing that she finally quite fight'n

for,
G
She ain't hooked on me no more,
D
She ain't hooked on me no more,
A
Picked up all my bad habits again,
G D
She let one go.

(talk) she had it real bad (end talk) I
G
was the only addiction she ever had,

Whiskey on the rocks and more cigarettes to
light,

Holding on to everything I've got left,
hoping I don't
D
loose it.
