

Sidewalks Of Chicago  
verse) 1

D G  
These Levis that I'm wearin' have been good to me

A D  
They just won't admit they're growin' old

D G  
Though my shirt's made contact with the gutter, now and then

A D  
At least it keeps my body from the cold

(verse) 2

D G  
Thank God, folks back home in Harland County

A D  
Can't see what success has done to me

D G  
Would you believe the kids in Harland High School

A D  
Voted me most likely to succeed

(chorus)

D D7 G  
Now I'm walkin' on the sidewalks of Chicago

E A  
If I buy the bread, I can't afford the wine

D7 G  
Now I'm walkin' on the sidewalks of Chicago

A D  
Wishin' I had lived some other time

(verse) 3

D G  
I wasn't here too long before I met her

A D  
And the lady, she really swept me off my feet

D G  
And she stayed just long enough to make me love her

A D  
And now they're sweepin' me up off the street

(verse) 4

D G  
My mama thinks I've really hit the big time

A D  
She's written every day since I've been gone

D G  
But she doesn't know that 109 West Charlotte
