

Someday When Things Are Good
recorded by Merle Haggard
written by Merle Haggard and Leona Williams

C F
Someday when things are good I'm gonna leave you
C G7
I can't seem to go when things are bad
C F
I'll be one more love that you can dream about
C G7 C
And one more man that you can say you've had

F
You'll always be the kind to dream of yesterday
C G7
And a way of life I never understood
C F
And someday soon I'll be just one more memory
C G7 C
And you'll call my name when things are not so good

F
Someday when things are good I'm gonna leave you
C G7
I can't seem to go when things are bad
C F
I'll be one more love that you can dream about
C G7 C
And one more man that you can say you've had
