

The Fighting Side Of Me
by Merle Haggard

G
I hear people talking bad
About the way we have to live here in this country D7
Harping on the wars we fight
And griping about the way things oughta be G

And I don't mind 'em switching sides
And standing up for things they believe in D7
When they're running down my country man
They're walking on the fighting side of me G

D7 G D7
Yeah they're walking on the fighting side of me
Running down the way of life
Our fighting men have fought and died to keep C G
If you don't love it leave it
Let this song I'm singing be a warning G7 C
If you're running down my country man D7
You're walking on the fighting side of me G

I read about some squirrely guy
Who claims he just don't believe in fighting D7
And I wonder just how long
The rest of us can count on being free G

They love our milk and honey
But they preach about some other way of living D7
When they're running down my country hoss
They're walking on the fighting side of me G
