I receive my big promotion down at the lumber yard
 And my income tax return will soon be due
 I just made my last big payment on my 68 Corvair
 the only trouble with me is you

I came up with a winning ticket on a ocean liner tours
 And the trip and everything was planned for two
 And I arranged for our vacation and the time I thought we'd leave
 Now the only trouble at all is you
 Yeah the only trouble with me is you and
 it's driving me out of my mind
 Hey I've done everything a man can do and you refuse me every time

I gave up my bachelor quarters where the secret bed comes down
 And the vices that I'm guilty of are few
 And everyone who knows me says I'm fun to be around
 Oh the only trouble with me is you
 Yeah the only trouble with me is you...
 Yeah the only trouble with me is you
