

This Song Is Mine
M. Haggard

INTRO (2x): A D E A

A
Sometimes songs are done by singers that don't mean them
E A
And at times I've done the same, and couldn't sing 'em A7
D E A A/G# F#m
At times I've written songs about some things I didn't do
Bm D A E A
But these are my words, and mine alone.....these words are true

INTRO

I've written words in many ways to make 'em rhyme
And at times I've stolen notes that wasn't mine
Sometimes I changed my style all around to make it do
These are my words, this is my way.....and it's for you

CHORUS 1:

A A7
'Cause I love you
D E A A/G# F#m
With all of my heart, my soul and my mind
Bm
These are my words, these notes are mine
E A
This song is mine

CHORUS 2:

'Cause I love you, honey
With all of my heart, my soul and my mind
These words are mine, these notes are mine
This song is mine
