

Train of Life

Album: Someday We'll Look Back / I Love Dixie Blues

I sit alone at my table and watch all the others have fun
And I'm tired of sittin' on the side of track a watchin' the mainline run
I'm tired of havin' no future just livin' on things that I've done
And I'm tired of sittin' on the side of track a watchin' the mainline run
Train train don't leave me oh train of life
I got no one to call me their darling to hug me and call me their hon
And I'm tired of sittin' on the side of track just a watchin' the mainline
run
I'm tired of havin' no future...
Train train don't leave me oh train of life
