

## Wake Up

Written and recorded by Merle Haggard

G C G  
 Wake up don't just lay there like cold granite stone

D7 G  
 Wake up we're too close to be alone

C G  
 Wake up and please darling hold me if you would

C G D7 G  
 Don't just lay there like you've gone away for good

C G  
 There's too many empty pages with so many things in store

D7  
 I can't believe it's over and you've closed the final door

G C G  
 And I'm not prepared to handle these things we're going through

D7 G  
 I wish God would grant me just one more night with you

Repeat # 1

C G  
 Without you I feel worthless like a bell that doesn't ring

D7  
 And I know you hear me talking yet you haven't heard a thing

G C G  
 And I can't stand it all much longer I'd go crazy without you

D7 G  
 I wish God would grant me just one more night with you

Repeat # 1

C G D7 G  
 Don't just lay there like you've gone away for good
