

You'll Never Love Me Now
 Written and recorded by Merle Haggard

G C
 Admitting you're to blame

G
 Won't heal wounded pride

C
 It's too late to be ashamed

G D7
 I've already stepped aside

G C
 Just let me live again

G
 And please don't come around

C
 If you never loved me then

G D7 G
 You'll never love me now

C
 You fooled me all the way

G
 Each time you held me tight

C
 But when darkness turned to day

G D7
 Then I finally saw the light

G C
 When I really needed you

G
 That's when you let me down

C
 If you never loved me then

G D7 G
 You'll never love me now
