

You've Still Got A Place In My Heart  
recorded by Merle Haggard  
written by Leon Payne

C  
If the one you'd think is true  
F  
Ever turns his back on you  
C G7  
You've still got a place in my heart

C  
If every road you take  
F  
Proves you've made a big mistake  
C G7 C  
Baby you've still got a place in my heart

F  
If I'm a fool to pray  
C  
That you'll come back some day  
D7  
Well then I'll know of million fools  
G7  
That love has turned that way

C  
If the years should make you cry  
F  
Don't go on and live a lie  
C G7 C  
Baby you've still got a place in my heart

Repeat last verse
