

Glory To His Name

[F] Down at the cross where my [Bb] Savior [F] died,
Down where for cleansing from [G7] sin I [C7] cried,
There to my heart was the [Bb] blood ap [F] plied
Glory to [C7] His [F] Name:

Chours

[Bb] Glory to His [F] Name! Glory to His [C7] Name,
[F] There to my heart was the [Bb] blood ap [F] plied;
Glory to [C7] His [F] Name!

I am so wondrously saved from sin,
Jesus so sweetly abides within,
There at the cross where He took me in;
Glory to His Name!

Oh, precious fountain that saves from sin,
I am so glad I have entered in;
There Jesus saves me and keeps me clean;
Glory to His Name!

Come to this fountain so rich and sweet,
Cast thy poor soul at the Saviors feet;
Plunge in today, and be made complete;
Glory to His Name!
