

I AM A PILGRIM

[G] I am a [D] pilgrim and a [G] stranger
Travellin [C] through this wearisome [G] land
I've got a [G] home in [G7] that yonder [C] city,
Good Lord
And it's [G] not [D7] not made by [G] hand

I've got a [D] mother, [G] sister and a brother
Who have [C] been this way be [G] fore
I am determined to go and [C] see them, good Lord
Over [G] on that [D7] other [G] shore

I going [D] down to the [G] river of Jordan
Just to [C] bathe my wearisome [G] soul
If I can just touch the hem of [C] His garment, good Lord
Then I [G] know He'd [D7] take me [G] home
