

## I Can't Stop Loving You

Written and recorded by Don Gibson

[Bb] I can't stop [Eb] loving you  
So I've made up my [Bb] mind  
To live in [F] memories of the lonesome [Bb] times  
[Bb7] I can't stop [Eb] wanting you it's useless to [Bb] say  
So I'll just [F] live my life in dreams of yester [Bb] day

### Chorus

Those happy hours that we once [Eb] knew  
Though long [Bb] ago still make me [F7] blue  
They say that [Bb] time  
Heals a broken [Eb] heart  
But time has stood [Bb] still since we've [F7] been a [Bb] part

[Bb7] I can't stop [Eb] loving you  
So I've made up my [Bb] mind  
To live in [F7] memories of the lonesome [Bb] times  
[Bb7] I can't stop [Eb] wanting you it's useless to [Bb] say  
So I'll just [F7] live my life in dreams of yester [Bb] day
