

On The Jericho Road

Written by Don S. McCrossan

[C] As you travel along on the Jericho [G7] Road
Does the world seem all wrong and heavy your [C] load
Just bring it to Christ your sins all con[F] fess
On the Jericho [C] Road [G7] your heart He will [C] bless

Chorus

On the Jericho [G7] Road there's room for just [C] two
No more and no [G7] less Jesus and [C] you [C7]
Each burden He'll [F] bear each sorrow He'll [C] share
There's never a [G7] care, for Jesus is [C] there

Oh brother to you this message I [G7] brings
Though hope may be gone Hell cause you to [C] sing
At Jesus command sins shackles must [F] fall
On the Jericho [C] Road [G7] will you answer His [C] call
