

## Wonderful Peace

[F] Far away in the depths of my [Bb] spirit to night  
Rolls a [F] melody [G7] sweeter than [C7] psalm;  
In [F] celestial strains it un[Bb] ceasingly falls  
O'er my [F] soul like an [C7] infinite [F] calm

### Chorus

[F] Peace, peace, [Bb] wonderful [F] peace,  
Coming down from the [G7] Father a [C7] bove!  
[F] Sweep over my spirit for [Bb] ever, I pray  
In [F] fathomless [C7] billows of [F] love!
