

I'm Just Nuts about You

Vo-do-de-o and hi-de-ho also poop-poop-a-doo!  
Love's around the corner, and I'm just nuts about you.  
It's time to say, "Hip-hip-hooray! My skies of gray are blue!"  
Love's around the corner, and I'm just nuts about you!  
If me no if's. But me no but's.  
I see you're nuts, simply nuts about me, too.  
So, baby, ha-ha-ha and hot-cha-cha plus ooh-la-la! It's true!  
Love's around the corner, and I'm just nuts about you!
