

## March of the United Nations

By:Paul Robeson

lyrics by Harold Rome; music by Dmitri Shostakovich

The sun and the stars all are ringing  
With song rising strong from the earth;  
The hope of humanity singing  
A hymn to a new world in birth.

United Nations on the march with flags unfurled  
Together fight for victory: a free, new world.

Take heart all new nations swept under  
By powers of darkness that rise;  
The wrath of the people shall thunder  
Relentless as time and the tide.

United Nations on the march with flags unfurled  
Together fight for victory: a free, new world.

As sure as the sun meets the morning  
And rivers go down to the sea,  
A new day for mankind is dawning:  
Our children shall live proud and free.

United Nations on the march with flags unfurled  
Together fight for victory: a free, new world.
