

Please, Mr. Boss

By:Samuel H. Friedman

Waddy gonna do when ya want more pay,
"Please, Mister Boss?"
Waddy gonna do for a shorter day,
"Please, Mister Boss?"
Waddy gonna do for a chance to play,
"Please, Mister Boss?"
No! It's strike, strike, strike, strike, strike, strike, strike.
Not "Please, Mister Boss!"

Waddy gonna do when the scabs crawl in,
"Please, Mister Boss?"
Waddy gonna do when the spies begin,
"Please, Mister Boss?"
Waddy gonna do when the gangsters grin,
"Please, Mister Boss?"
No! It's stand, stand, stand, stand, stand, stand, stand.
Not "Please, Mister Boss!"

Waddy gonna do when the thugs get thick,
"Please, Mister Boss?"
Waddy gonna do when the cops come quick,
"Please, Mister Boss?"
Waddy gonna do when the judge gets slick,
"Please, Mister Boss?"
No! It's fight, fight, fight, fight, fight, fight, fight!
Not "Please, Mister Boss!"
