

## Solidarity (KEY=C)

For the people who stand up and march for their rights,  
Solidarity, Solidarity.

For the ones who shine lights through the perilous night,  
Solidarity, Solidarity.

For the souls who risk everything strong in their stance,  
So their children can have a fair chance.

Power in unity, fighting for what can be,  
Solidarity, Solidarity.

For the workers who strike for a real living wage,  
Solidarity, Solidarity.  
In a time when the rich rule this new gilded age,  
Solidarity, Solidarity.  
Where so many have nothing, and a few have it all,  
What your grandparents fought for recalled.  
Hear their proud voices ring in your memory dreams of  
Solidarity, Solidarity.

For the crowds that have gathered and filled the town square,  
Solidarity, Solidarity.  
With hope in their hearts and their hands in the air,  
Solidarity, Solidarity.  
Singing down all dictators and calling their bluffs,  
When youve had enough , youve had enough.  
Every fear will recede in this great human sea of  
Solidarity, Solidarity.

Solidarity, Solidarity.
