

I'M LOOKING OVER MY SHOULDER FOR YOU  
Ralph McTell

I'm looking over my shoulder for you  
I keep a mirror in my pocket  
So I can sneak a backward view  
I'm scared out of my life  
In my boot I keep a switch blade knife  
I'm looking over my shoulder  
Since I heard what she planned to do.

I'm looking over my shoulder for you.  
I got a mirror in my pocket  
So that I can sneak a backward view  
I was just having a little bit of fun  
She thought a love affair had begun  
I'm looking over my shoulder  
Since I heard what she planned to do.

Hell don't have no fury  
Like a woman that's been done wrong  
I was just having a little bit of fun  
She said I was stringing her along

I'm looking over my shoulder for you.  
I got a mirror in my pocket  
So that I can sneak a backward view  
I don't walk down any dark street,  
I'm scared of who I might happen to meet  
I'm looking over my shoulder  
Since I heard what she planned to do.

Hell don't have no fury  
Like a woman that's been done wrong  
I was just having a little bit of fun  
She thought a love affair had begun.

I'm looking over my shoulder for you  
I keep a mirror in my pocket  
So I can sneak a backward view  
I'm scared out of my life  
In my boot I keep a switch blade knife  
I'm looking over my shoulder  
Since I heard what she planned to do.
