

WAIT UNTIL THE SNOW
Ralph McTell

How I'd like to run away
Oh how I'd love to go
Then I think maybe I will stay
And just wait for the snow
To wipe the year from off the page
I'll pretend I did not know
But I remember all the words
And the memory well it won't go
No it won't go

How I'd like to up and fly
Almost anywhere
But I don't have the nerve to try
And you think that I'd never cared
So I'll wait until the snow has come
Yes I think maybe I'll stay
For I really don't know where I'd run
And running's not that's not my way
No it ain't my way.

How I'd like to run away
Oh how I'd love to go
Then I think that maybe I will stay
And just wait for the snow
To wipe the year from off the page
And I'll pretend I did not know
But I remember all the words
And the memory well it won't go
No it won't go.
