

# Minor Pentatonic Scales for Guitar

Major Pentatonic Scales for E, F, F# & G with tab for standard tuned guitar. - [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

## Minor Pentatonic Scales Guitar in standard tuning E-G

The image displays four measures of music, each representing a different minor pentatonic scale. The first measure is for E minor, the second for F minor, the third for F# minor, and the fourth for G minor. Each measure contains a musical staff with a treble clef and a key signature of one flat (Bb, Eb, Ab, and Gb respectively). Below each staff is a guitar tablature line with six strings. The notes of the scales are indicated by numbers on the strings: 0 for open, 1 for first fret, 2 for second fret, 3 for third fret, and 4 for fourth fret. The scales are played in a descending sequence across the strings. The website address [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk) is visible in the bottom right corner of the fourth measure.

A midi of the scales can be heard [HERE](#), this plays all the pentatonic scales from C to B.

*The above graphics are in high definition 300 DPI and will print brilliantly even if the screen display is not that good.*

*Please also note that in some cases it may be possible to play the scales on other strings than those show, this is not a problem, as in many cases the octave used will be unimportant.*
