love your souls possessing,    With the household of our parents share.

## WHATE'ER MAY BE LIFE'S STRUGGLE.

MT. LEBANON, N. Y.

Whate'er may be life's struggle, Or strife mid doubt and gloom, I see a glory

beaming Above earth's darksome tomb ;    I know there lies before me    A

bright and blissful goal, And angel hands are ready    To help each yearning soul.
