CANAAN, N. Y.

1. To the sun-crown'd height we will onward move Where banners of vic-to-ry

wave, Where in liq - uid mu - sic from realms sublime Roll the

songs of the strong and brave. O'er our path the light of

prom - ise beams As on re - joi-ning we go, The doubts and

shadows that o'ercloud the way We are leav-ing in the vale be - low.
