

The Bells of Hell

The Bells of Hell

The bells of hell go ting-a-ling-a-ling
For you and not for me;
For me the angels sing-a-ling-a-ling
Death has no threats for me.

Oh death where is thy sting-a-ling-a-ling
Oh grave, thy victory?
The bells of hell go ting-a-ling-a-ling
For you and not for me.
