Laddie Lie Near Me 2

Laddie Lie Near Me 2

Lang have we parted been, laddie my dearie
Now we are met again, laddie lie near me

Near me, near me, laddie my dearie
Lang hast thou lain alane, laddie lie near me

All that I have endured, laddie my dearie
In your arms it is cured, laddie lie near me

Near me, near me, laddie my dearie
Lang hast thou lain alane, laddie lie near me

If in the spring we meet, laddie my dearie
All joy will be near me, laddie lie near me

Near me, near me, laddie my dearie
Lang hast thou lain alane, laddie lie near me
