### Little Moses - or at Least the Choruses

Little Moses --- or at Least the Choruses

A moral young maiden named Clare  
Was having her first love affair  
As she climbed into bed, she rev'rently said  
"I wish to be opened with care."

Before it was dark  
She opened the ark  
and found the sweet infant was there

There was a young maid of Dundee  
Who was raped by an ape in a tree.  
The result was quite horrid, all ass and no forehead  
Twelve balls and a purple goatee.

She called him her son  
Her beautiful one  
And sent for a nurse that was there  
There was a young fellow from Kent  
Whose prick was so long that it bent.  
To save himself trouble, he folded it double  
And instead of coming, he went.

His mother so good  
Did all that she could  
To rear him and teach him with care

There was a fat lady of China  
Who'd a really enormous vagina.  
And when she was dead, they painted it red  
And used it for docking a liner.

The Jews safely crossed while Pharaoh's host  
Was drowned in the waters and lost

There was a young monk from Racine  
Whose life was quite pious and clean.  
He received extreme unction from anal conjunction  
With Monsignor Fulton J. Sheehan.

Then his labor did cease, he departed in peace  
And rests in the heaven above
