

Mobile Bay

Mobile Bay

Was you ever in Mobile Bay?

Johnny come tell us and pump away

A-screwing cotton by the day

Johnny come tell us and pump away.

cho: Aye, aye, pump away

Johnny come tell us and pump away

Aye, aye, pump away

Johnny come tell us and pump away

And how many bales can you carry on?

Johnny come etc.

Just hurry up before she's gone

Johnny come etc.

The times are hard and the wages low

Just one more bale before we go

If ever good luck does come my way

I'll say goodbye to Mobile Bay
