### **The Mule**

#### **The Mule**

The mule he is the funniest sight  
He's made of ears and dynamite  
The mule he is the funniest sight  
He's made of ears and dynamite

Some folks don't treat mules with respect  
They say he has no intellect  
The mule attends to his own biz,  
He don't look bright boys, but he is.

-----  
Sung to the tune of Tannenbaum  
DC
