

Don't You Cry So, Norah Darling - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

Don't You Cry so, Norah Darling.

Don't you cry so, Norah darling,
Wipe those tears away;
Don't you cry so, Norah darling.
Smile on me to-day;
See the wind is freshly blowing,
And the ship longs for the sea,
Be to-day your smiles bestowing
Sweetly, love, on me.

Chorus.

Don't you cry so, Norah darling,
Wipe those tears away;
Don't you cry so, Norah darling,
Smile on me to-day.

Though 'tis sad to leave you, darling,
I must no more stay;
Think of me, Norina darling,
When I'm far away;
And, although to part brings sadness,
Keep your young heart light And free;
Your sweet face adorn with gladness,
Thinking still of me.-Chorus.

Don't you cry so, Norah darling,
Wipe those tears away;
Don't you cry so, Norah darling,
Smile on me to-day;
When from work I rest aweary,
All my thoughts on you will be,
And my life will not seem dreary,
If you're true to me.-Chorus
