THE NEW JERUSALEM.

Oh, father, will, oh, will you go,
Oh, father, will, oh, will you go,
Oh, father, will, oh, will you go
To the New Jerusalem?

Chorus.
Walk up and down the golden streets.
Walk up and down the golden streets.
Walk up and down the golden streets
Of the New Jerusalem?

Oh, mother, will, oh, will you go.
Oh, mother, will, oh, will you go,
Oh, mother, will, oh, will you go
To the New Jerusalem?-Chorus.

There you shall have a starry crown,
There you shall have a starry crown,
There you shall have a starry crown,
The crowns are ready now.-Chorus.

Oh, sister, will, oh, will you go,
Oh, sister, will, oh, will you go,
Oh, sister, will, oh, will you go
To the New Jerusalem?-Chorus.

There you shall have a lily white robe,
There you shall have a lily white robe,
There you shall have a lily white robe,
The robes are ready now.-Chorus.

Oh, brother, will, oh, will you go.
Oh, brother, will, oh, will you go,
Oh, brother, will, oh, will you go
To the New Jerusalem?-Chorus.

There you shall have a harp of gold,
There you shall have a harp of gold,
There you shall have a harp of gold,
The harps are ready now.-Chorus.
