CREEP INTO BED, MY BABY.

Copyright, 1885, by J. C. Groene & Co.

Tra la la la, tra la la la, tra la la la la, ah!

Tra la la la, tra la la la la, ah!

Creep into bed, my baby,

Steal into bed, my darling;

Hurry to sleep, slumber thee deep,

Into bed creep, my loved one.

One little kiss for mamma,

One little kiss for me;

Turn out the light, 'till morning bright,

Sleep, little baby, sleep.

Chorus.

Tra la la, la la la, ley hie ye ho,

Sleep, baby, sleep, in slumber deep;

When o'er the hills the bright morning doth break,

Then, love, again, love, awake;

Then, love, again, love, awake,

Then, love, again, love, awake.

Creep into bed, my baby,

Steal into bed, my darling;

Hurry to sleep, slumber thee deep,

Into bed creep, my loved one.

See the bright moon is beaming,

Bright little stars gleaming;

Angels above watch o'er thee, love,

Sleep, little baby, sleep.-Chorus.
