

Meet Me To-night - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

MEET ME TO-NIGHT.

Meet me to-night, dearest, down by the gate,
Anxiously, longingly for thee I'll wait
There, while the lady moon softly reclines,
There, while her beaming eye lovingly shines;
In sweetest dreams of thee happy I'll wait,
Eager to meet thee, love, down by the gate.

Chorus.

Meet me to-night, dearest, down by the gate.
Anxiously, longingly for thee I'll wait;
In sweetest dreams of thee happy I'll wait,
Eager to meet thee, love, down by the gate.

Meet me to-night, dearest, day will soon close,
Yonder the sun softly sinks to repose;
Love will awake as the starlight arise,
On me will shine through thy dreamy blue eyes;
Visions of joy will be mine as I wait.
Eager to meet thee, love, down by the gate. -Chorus.
