

My Heart Is Sad To-day - song lyrics

American Old-time song lyrics from www.traditionalmusic.co.uk

MY HEART IS SAD TO-DAY.

I have need of all your kindness,
For my heart is sad to-day,
There's a cloud upon my spirits
You alone can chase away.
Let me hear but one low whisper,
Let that whisper be but kind,
Then shall mine, like children's sorrow.
Pass and leave no trace behind.

Chorus.

We have happy been together
While the sunshine led our way,
Now I've need of all your kindness,
For my heart is sad to-day.

We have happy been together
While the sunshine led our way,
Now I've need of all your kindness,
For my heart is sad to-day.
Let the world look coldly on us,
While our hearts with kindness glow;
Each will be unto each other
As a shield against the foe.-Chorus.

We have treasured in our bright days
Feelings dearer to us now,
Let remembrance of the pleasure
Chase the shadows from our brow.
We have happy been together.
What if clouds obscure the way?
There may be a sunny future.
Though my heart is sad to-day.-Chorus.
