

This file contains a complete alphabetical index of song titles contained in the 61 volumes comprising Wehman's Universal Songster as available from www.Traditionalmusic.co.uk. The numbers at the end of the song names indicate on which volume(s) the particular song appears. All of these songs as well as many thousands of others are also available for free download from the same site. Note that this site does NOT require you to register or similar nonsense - you can easily get to everything without any restrictions.
