

## Car Wash-crd

A D A  
Well my name is Catherine LeFevre  
I work at the Astrowash on Sunset and Vine  
I drop my kids at school in the morning  
And I pick them up at Mary's just 'fore suppertime

D A  
Well I work down at the car wash  
For a dollar and a dime  
And mister, I hate my boss  
It's at the car wash I'm doing my time

D A  
Pick up my water bottle and my towel, sir  
And I take 'em one by one  
From Mercedes to VWs  
I do 'em all and I don't favor none

D A  
Well I work down at the car wash  
For a dollar and a dime  
And mister, I hate my boss  
It's at the car wash I'm doing my time

Well someday I'll sing in a night club  
I'll get a million-dollar break  
A handsome man will come here with a contract in his hand  
And say "Catherine, this has all been some mistake"

D A  
Well I work down at the car wash  
For a dollar and a dime  
And mister, I hate my boss  
It's at the car wash I'm doing my time  
It's at the car wash I'm doing my time  
It's at the car wash I'm doing my time
