

Find it where you can

One, two, three, four

You ???

You know why I

???

You know ???

You know the answer, cause you got to understand

You can't pick and choose love, got to find it where you can

Yeah you find it where you can, little girl you find it where you can

Well you can't make it true girl, you find it where you can

??? get what you want

???

??? one

I don't know what to say, ???

You can ??? the one, you got to find it where you can

Little girl you find it where you can, yeah you find it where you can

??? choose girl, you find it where you can

Yeah find it where you can, girl you've got to find it where can

??? choose girl, you find it where you can
