Let's go, let's go, let's go
by Hank Ballard And The Midnighters

Chorus:
There's a thrill upon a hill, let's go, let's go, let's go (1)
There's a thrill upon a hill, let's go, let's go, let's go

There's a house honey, way across town
People comin from miles around
Put on your pretty red dress
Let's go see about this mess
That's it, baby let's git, and go way, upon a hill

We gonna have a whole lotta fun
We gonna greet the risin sun
All night long we gonna ball
Until we hear your mama call
That's it, baby let's git, and go way, upon a hill

(chorus)

Eeee-yeah, everybody gonna be there
My friends and yours from everywhere
Oh, what a time it's gonna be!
C'mon baby let's go see
That's it, baby let's git and go way, upon a hill

(chorus)
